

Designer Giuseppe Bavuso, year 2014

A compact and versatile chair with a modern feel. Clean, rigorous and simple lines. A geometric and lightweight piece. Designed for a variety of uses, from dining chair to living room armchair, or even for the office.

Denise

Legs in painted or chromeplated cast aluminium or black nickel. Steel frame upholstered in cold shaped polyurethane foam, class 1M, with polyester fiber lining. Seat cushion in foam and Dacron. Leather or fabric covers.
