

Designer Giuseppe Bavuso, year 2017

The rediscovery of the decorative arts from the East gives the furniture an original bright and shiny lacquered effect. The reflections of the surfaces are the assets of a collection that explores the material to bring its hidden refinement to light. Oriental bedroom complements; bold shades and bewitching lacquers cloak the night in magic, like a dream before your eyes...

Oriental Night

External frame in matt or glossy lacquered MDF, inside compartment in rosewood. Base in painted solid ash with caps in black nickel. Back in rosewood. Drawers with braking metal guides. Front in matt or glossy lacquered MDF. Opening with a push and pull system.
