

Designer Giuseppe Bavuso, year 2017

Return to the place you came from to find the warmth of your own home and the security of your own things. The bed welcomes the travelling artist in between its enveloping lines, with the padded headboard and the precious finishing touches. The large padded headboard is embellished with refined quilted workmanship and framed by beautiful wood. The bed has a striking presence but becomes part of the environment with extreme gracefulness. The bed comes in several sizes and is available in versions with base with storage compartment, handy for storing pillows, blankets and bed linens.
