

Designer Giuseppe Bavuso, year 2016

The Oriental bench is an accessory designed to combine with the bed. The wooden structure supports a soft fabric or leather cushion which can be combined with the bed finishings. The personality, great harmony and balanced proportions of the Oriental bench make it an independent and versatile item of furniture that is at home in any setting, whether on its own or combined with other furnishings.

Oriental Bench

Base in painted solid ash with caps in black nickel. Cushion in polyurethane foam and polyester fiber lining. Leather or fabric cover.

Technical sheet

Panca.
Bench.
