

Designer angelettiruzza

A modular and configurable sofa collection in motion, designed to meet the needs of both residential and public spaces. Its versatility is ensured by the swiveling end units and interchangeable ottomans integrated into the composition, allowing for personalized and unique configurations—perfect for moments of intimacy or social gatherings.

Bordone is ideal for those seeking a solution that combines functionality and style.

Bordone Reel

Bordone

Base in multistrato di abete rivestita in vellutino accoppiato e tessuto. Struttura in legno di abete. Seduta e schienale ricoperti in poliuretano indeformabile a densità differenziata e dacron e fodera in fibra di poliestere. Rivestimento in tessuto. La lavorazione del cuscino seduta è arricchita da impunture per valorizzarne la morbidezza estetica.

Technical sheet

BORDONE / BORDONE UP

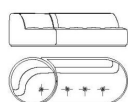

ingenieur design

Tivano. Poltrona, base in multistrato di abete (reclutabile in velluto o cinghiale tessuto). Struttura in legno di abete, seduta e schienale ricoperti in polietilene indeformabile a densità differenziata e decoro a ridosso di fibra di poliestere. Rivestimento in tessuto. La lavorazione del tessuto seduta e schienale da imprimere per valorizzare la morbidezza estetica. Bordone Up. Con piedini a taglio laser verniciati. Rivestimento in tessuto o pelle.
