

Designer Giuseppe Bavuso

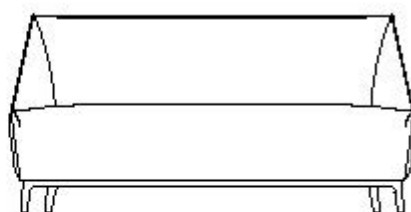

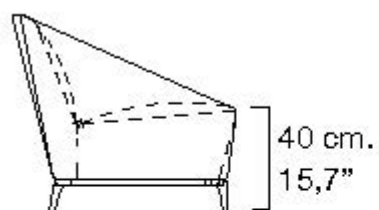

Zoe a comfortable lounge area. the zoe seating doubles its elegant forms and comfort with a two-seat version.

The oblique shape of the armrest wraps the seat, offering a sense of intimacy and protection: zoe conquers spaces with its formal elegance. Inserted in the hall of a hotel, it makes moments of waiting more comfortable and enjoyable.

Zoe

Wooden frame covered with polyurethane foam of different densities and polyester fiber lining. Legs in solid painted ash or in solid italian walnut. Leather or fabric covers.
