

Designer Giuseppe Bavuso

Perfectly balanced between past and contemporary present, the new Ester seat is able to bring back to life sophisticated atmospheres from the past thanks to the vintage touch that distinguishes its silhouettes and colours. Several materials make up this interior décor item with timeless charm: from the warmth of oak- or walnut-wood, to the steel shell, and also the polyurethane foam padding that is elegantly enveloped by leather upholstery.

Ester

Frame in painted solid ash or in solid italian walnut. Shell in perforated painted sheet, covered in leather with polyurethane foam insert. Seat cushion in polyurethane foam and polyester fiber lining, leather or fabric cover.
