

ATELIER Bedside table

Designer: Matteo Nunziati

Year: 2024

DESCRIPTION:

The Atelier bedside tables are elegant supports capable of completing the relaxation corner. In their impeccable combination of shapes and materials, they show the contrast between the soft external leather and the warm walnut wood used for the upper surface and the internal parts.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
