

ATELIER Vitrine

Designer: Matteo Nunziati

Year: 2025

**DESCRIPTION:**

The Atelier display cabinet, an expression of transparency and materiality, with a solid structure in canaletto walnut and doors in bronzed glass, is equipped with two shelves, also in bronzed glass, with metal profiles and details covered in leather, and a chest of drawers. The top of the chest of drawers can be made of leather, marble or glossy lacquered wood, while the internal back of the display cabinet is made of glossy lacquered wood. This display cabinet is no longer just a container, but a piece of furniture that, in its elegance, becomes a focal point of the living area.
