

AZUL Sofa

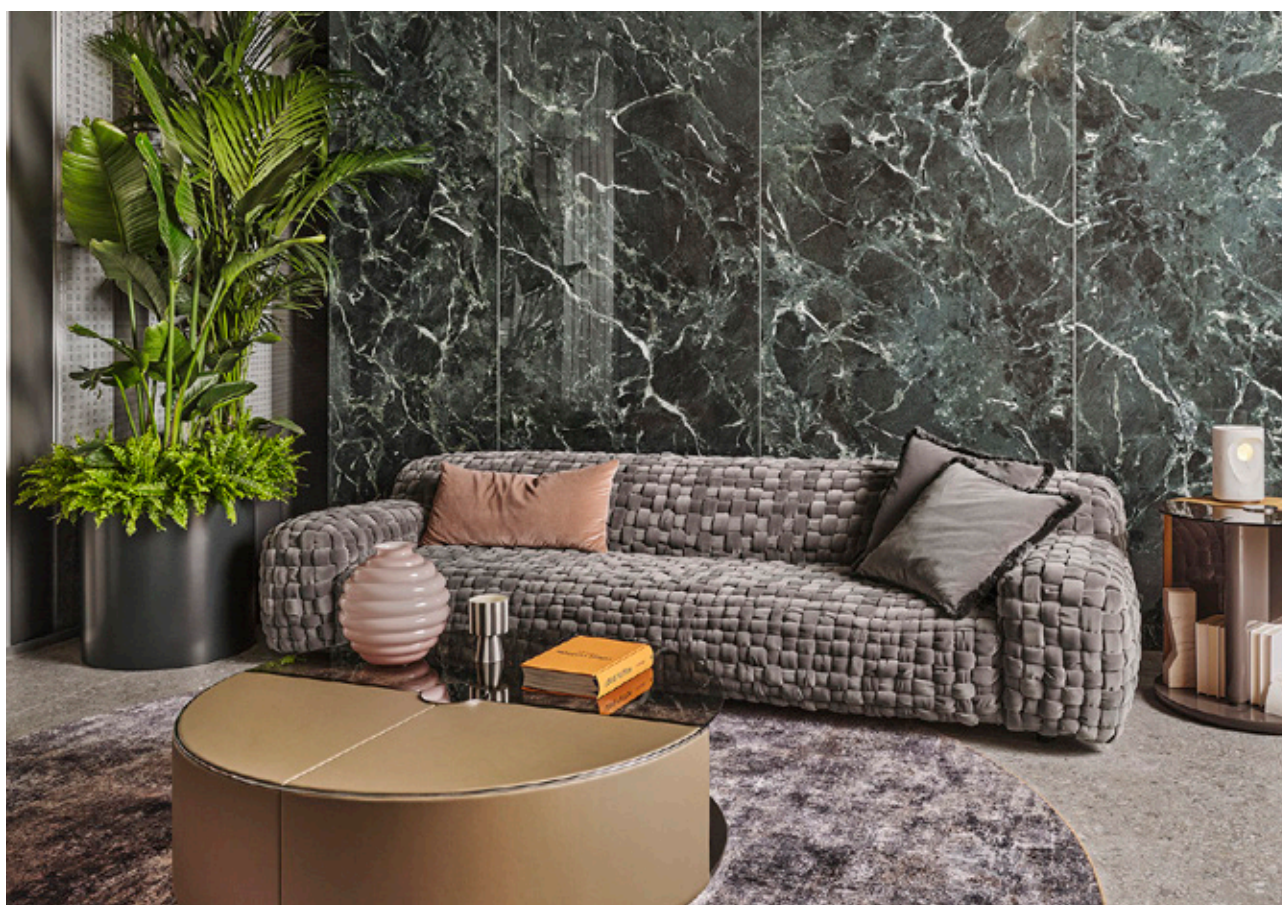

Designer: Paola Navone - Otto Studio

Year: 2022

DESCRIPTION:

The Azul sofa with its traditional shape, appears as a handmade macro weave in blue velvet that evokes the workings of fashion. The visual impact is an orthogonal, orderly texture that transforms and reveals all its softness through the physical presence of those who use it. The perfection of the Azul sofa lies precisely in its imperfection, in its ability to accommodate and shape the atmosphere in which it is inserted.
