

BLUES Sideboard

Designer: Giuseppe Viganò

Year: 2022

**DESCRIPTION:**

The sideboard from the Blues collection finds space in elegance and versatility, made of walnut wood, with a wooden or marble top, and metal profiles. Materials that guarantee stability and uniqueness to the product, which is well suited to the needs of a basic home environment. Four doors and a drawer, with typical T-shaped handles, add functions and storage on several levels, making the sideboard practical and innovative. The Blues sideboard is available in different finishes as per sample card.
