

BLUES Vitrine

Designer: Giuseppe Viganò

Year: 2022

**DESCRIPTION:**

The vitrine of the Blues collection enhances lightness. The glass sides meet the solidity of the drawers with metal edges which, fixed to the bottom, seem almost suspended. Everything is supported by slender and slender legs, typical of the collection, transforming it into a real jewel. Its linear appearance, easily adaptable to any type of space and furniture, makes the showcase perfect for any living area. The Blues vitrine is available in different finishes as per sample card.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
