

DOMUS Vitrine

Designer: Matteo Nunziati

Year: 2022

DESCRIPTION:

A multifunctional design, the Domus vitrine is notable for its artful juxtaposition of solid shapes with negative space, contrasted by a minimal line. The Domus vitrine, made from eucalyptus, comes with a four-door structure, customisable in mirrored glass or wood. Each compartment contains a glass shelf and internal LED lighting.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
