

RATIO Coffee tables

Designer: Toan Nguyen

Year: 2023

DESCRIPTION:

The Ratio coffee tables take up the design devoted to rationalism of the entire collection. The thin metal structure supports a precious marble top. A top that becomes even more precious thanks to the patchwork that designs the surface in large squares, like a precious grid.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
