

SOUL Chest of drawers

Designer: Giuseppe Viganò

Year: 2022

DESCRIPTION:

The applied wooden element is not purely a decoration but a deliberate replacement for the absent handle and facilitates the opening of the drawers. In the second version, the Soul chest of drawers comes with a convenient open compartment. A metal frame wraps around the entire structure, emphasising the design on the drawer fronts and highlighting the suspension effect from the floor.

SOUL Chest of drawers

Designer: Giuseppe Viganò

Year: 2022
