

VESTA Armchair

Designer: Francesca Lanzavecchia

Year: 2025

**DESCRIPTION:**

The sofas and Vesta armchair are defined by soft and welcoming shapes, expressed through full and sinuous curves able to keep a reassuring feeling of lightness. This balance is possible thanks to the expertise acquired during a century of savoir faire and of artisanal know how, which can be confirmed by sophisticated stitching and elegant inlays that enrich the surfaces by giving a deeper and strong character to the collection.
