

VINE Tv unit

Designer: Frank Jiang

Year: 2019

**DESCRIPTION:**

The TV unit of the Vine collection is characterized by a wooden structure with embedded glass elements, an interesting play of volumes that creates architectural solids and voids. Leather applications on the drawers and doors give value to the storage unit, also equipped with internal LED lighting. The Vine TV unit is available in different finishes as per sample book.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
