

ZENIT Tv unit

Designer: Andrea Bonini

Year: 2021

**DESCRIPTION:**

The TV unit of the Zenit collection enriches and completes the dining line with a strong identity character. The continuity of the three doors in glossy lacquered wood is interrupted by the more sinuous side of the cabinet: here a curved drawer, covered in leather, creates a spacious open shelf under the wooden or marble top. All supported by thin and light metal feet.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.

ZENIT Tv unit
