

Designer Giuseppe Bavuso, year 2007

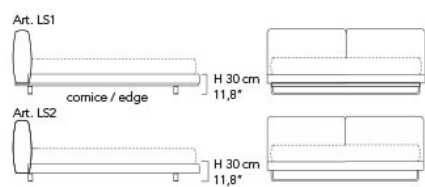

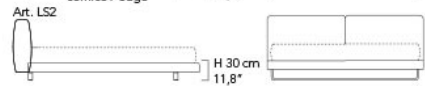

Versatile and elegant model, Echo is characterised by a striking headboard with goose down cushions, which transmit an immense feeling of comfort. The bed can be covered in fine and soft leather or fabric and is encapsulated in an essential chrome-plated structure. The linearity of Echo bed base blends harmoniously with the cosy padding, creating an effect of harmony and lightness.

Echo

- Headboard in fir multilayer covered with high-support polyurethane foam of different densities with a sterilized goose down quilt. 100% cotton lining.
- Bed edge frame in fir multilayer covered with polyurethane foam and fiber wadding.
- Fabric or leather cover, removable by an expert for guidance only.
- Edge and legs in chrome-plated or painted steel.
- Sommier in birch multilayer with mm.25 bent slats with hardness adjuster for the lumbar

area (available also with electric movement on demand).
