

Designer Giuseppe Bavuso, year 2005

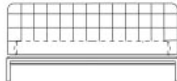

A product of pure beauty, a superior class in Alivar collection. The timeless design of Kendo bed with the refined capitonné padding fits elegantly into the sleeping area.

Kendo

- Steel headboard padded with high-support polyurethane foam of different densities with polyester fiber lining.
- Bed edge frame in fir multilayer covered with polyurethane foam and fiber wadding.
- Fabric or leather cover, removable by an expert for guidance only.
- Chrome-plated or painted steel base.
- Slatted base in birch multilayer with mm.25 bent slats with hardness adjuster for the lumbar area (available also with electric movement on demand).
- Aesthetic details: the headboard is embellished with a delicate work with regular

stitching, to create a modern capitonné.
