

Designer Giuseppe Bavuso, year 2011

A new system of containers for the bedroom or living room. Tratto is composed of various cabinets, with drawers or shutter doors that can be combined to create tailor-made solutions.

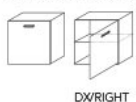

This versatile and flexible line of accessories meets all types of needs, thanks to its functionality and pure style, which lets it adapt to all kinds of spaces. Tratto is a system of storage units for the living area and bedroom area. Top quality materials such as heat-treated oak are combined with hide panels and drawers, creating sophisticated and elegant furniture.

Tratto

A new system of containers for the bedroom or living room. TRATTO is composed of various cabinets, with drawers or shutter doors that can be combined to create tailor-made solutions. Available in oak or lacquered MDF with doors and drawers, painted or covered in hide.
